

Expectations for Mini-Church Leaders in 2010

1. Attend 2 Mini-Church Trainings and one Mini-Church Celebration

We will have 2 trainings for you this year. They will be part of the trainings for our church-wide series. We strongly encourage your Mini-Church to join with the rest of the church body and participate in these series. You, as a leader, will be required to attend leader training in order to properly facilitate these studies with your group. We also plan to celebrate Mini-Church Leadership this summer, and of course we would love to have you to attend.

2. Update your Mini-Church information 2x a year

Also, twice in the coming year we will be requesting information via email regarding what your Mini-Church is studying and who is attending your group. We would appreciate a prompt response to these e-mails, in order to maintain an accurate record of who is connected in a Mini-Church. We use this information to keep you updated if anyone in your Mini-Church has a special need or for other important updates.

Thank-you so much for being a Mini-Church Leader! We are amazed at how God is working in this ministry, and we hear often about the love and care you are giving the people in your groups. You are such a blessing to Faith Church and we are excited about what He will continue to do through you!

In His Service,
Karla and the Mini-Church Team
