

THE U-TURN CHURCH CONFERENCE

FEATURING:

DAVE FERGUSON

A Brief Biography:

Before becoming a founding pastor of Community Christian Church, Dave earned a B.A in Christian Ministries from Lincoln Christian College and graduated with a M.A. from Wheaton Graduate School. Dave helped turn CCC into the church it is today; an innovative, multi-site, missional church with nine locations in the Chicagoland area. Over the past 20 years, the average attendance has grown from 5 people to now over 5,500.

Mr. Ferguson's U-Turn Session:

Dave is an expert in the area of church multiplication. It takes vision, time, and a willingness to change and adapt in order to grow into a multiplying church. Dave will share some invaluable insights on what it takes to position your church for growth.

Dave's Additional Roles:

~He is the Movement Leader for the NewThing Network (www.newthing.org) whose passion is "to be a catalyst for a movement of reproducing churches, relentlessly dedicated to helping people find their way back to God."

~Dave is an adjunct professor at Wheaton College Graduate School where he teaches a course on "Planting and Growing Reproducing Churches" in the evangelism and leadership department.

~In the last couple of years, Dave has presented at main sessions in front of tens of thousands of church leaders at events including: the Exponential Conferences, Saddleback Summit, Multi-Site Church Conferences, North American Christian Convention, Sticky Church Conference, National Outreach Convention and many more.

~Dave serves as the President of the Exponential Conference (www.exponentialconference.com) and participates on the National Board of Directors for the Exponential Network.

~Dave is a founder and board member for the Institute for Community (www.instituteforcommunity.org).

~He is the co-author of *The BIG IDEA – Focus the Message, Maximize the Impact* and his new book *Exponential: How you and your friends can start a missional church movement* will be released this spring.

Check out the latest from Dave on his blog www.daveferguson.org or follow him at twitter.com/daveferguson.
